

Notes from the Wardrobe Department - Newsies

- Please be sure to get the proper **shoes**. If you play more than one character, you may need more than one pair of shoes. Be sure to check the shoe information on www.fivestartheatre.org under menu, for parents, need to know. If you have any trouble, please contact Laurie at laudoherty@verizon.net .
- Please **label** all shoes with your child's name.
- Some Newsies were given **socks** as part of their costume. If your child was not given socks, they have two choices – wear black socks just above their boot line or they can go bare legged.
- **Bill, Stage Manager Pat, Roosevelt, Pulitzer, and Seitz** should have black socks with their black dress shoes.
- **Show nights:**
 - Costumes will be kept at RMHS. Bathrooms are very limited due to the fact that participants are expected to be in their dressing rooms unless they are on stage. If your child is uncomfortable changing in the dressing room, please have them wear a **leotard** under their costume.
 - Please provide a small **hamper/basket** for your child to stay organized. When your child is in costume, their personal items and shoes from home will go in there. Each costume has a hanger or two and a bag with your child's name on it with items like hats, gloves, some jewelry, socks, etc. Having a hamper will keep your child's costume pieces together, as we typically don't have extra of many things. They can keep their show shoes in the hamper as well.
 - Your child was given all of the pieces they are expected to wear. **No extra jewelry** should be worn, including hair elastics on the wrist.

If you have any questions or concerns, please contact Laurie at laudoherty@verizon.net .

We can't wait for you to see how your child will bring our clothes to life on stage!
