

January 2024

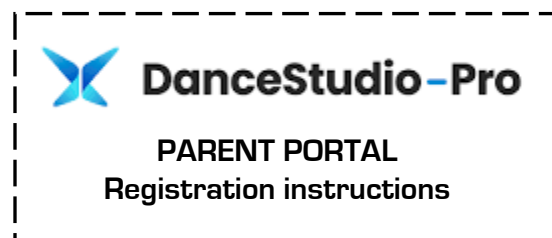

Dear Five Star Parents/Guardians,

As you may have noticed, we have recently introduced new additions to The Five Star Theatre Company (ex. Rising Stars, and Technical Theatre Summer Intensive). As we continue to grow our program, we find we need to update the way we handle audition enrollment, summer program enrollment, tuition payments, and much more. We have successfully made it through auditions (thank you all!) and are now introducing our new format for summer program enrollment.

This year we have joined Dance Studio-Pro, an online software program. We are looking for this program to assist us in running our theatre company effectively and efficiently. We ask that you please be patient as we all get used to DSP (Dance Studio-Pro) and its many benefits.

As the parent/guardian of a Five Star participant, you will need to register and enroll your child or children in Dance Studio-Pro via the Parent Portal. As you will soon see, the information we collect here will alleviate much of the paperwork that comes with running these programs and gives us one unified place to collect most of the information we need. The benefits are too numerous to mention here, but we promise to update you as needed.

Thank you very much for your cooperation and support!

FIRST STEP: Parents/Guardians need to register with Dance Studio-Pro.

Follow this link [<https://dancestudio-pro.com/online/fivestartheatrecompany>] to register for your DSP Parent Portal account. To help you out, this link [<http://tinyurl.com/DSPregistrationvideo>] takes you to a tutorial video on creating your account.

SECOND STEP: Once you have created your account, please add your child or children and complete their information. You will notice that this is where you will electronically sign for things – like our Liability Release Form and Consent and Photo/Video Release Form.

THIRD STEP: Register your child or children for our “class” - **Summer Program 2024: ALADDIN JR** and pay your deposit electronically.

LAST STEP: Relax as we work hard on our end to make sure we have everything we need from you.
